PART II - PHARMACY REFERRAL PROCESS

Briefly describe the process through which patients will obtain medications from referral pharmacy/pharmacies. Include:

- a) location of referral pharmacy/pharmacies in relation to clients and clinic site,
- b) discussion of elimination of barriers to clients receiving medications, and
- c) how the agency/clinic will ensure that clients will not incur additional costs to obtain medication.
- a) Pharmacy location will be selected for proximity to the clinic site. Walmart 1900 W. Moore Ave Terrell, TX 75160
- b) The Clinic will provide the Pharmacy with a credit card along with the faxed/e-mailed prescription for the patient which will be kept on file for re-fills. The provider will submit for reimbursement from the Family Planning Program.
- c) The Clinic will provide prescriptions to the Pharmacy for generic 12-month prescriptions for contraceptive methods, non-clinician administered hormonal contraceptive methods and anti-infectives for treatment.
- d) This method of payment is to ensure no barrier is created to keep the patient from receiving the prescribed medication at no personal cost and no additional clinic visits.

PART III - PHARMACY EXEMPTION JUSTIFICATION

Briefly provide justification of the benefits to the agency and/or clients for requesting a Class D pharmacy license exemption.

Clinic is in the process of obtaining a Class D pharmacy license but needs to serve patients in FPP now.

PART IV - MEMORANDUM OF UNDERSTANDING (MOU)

Provide a copy of a signed and fully executed MoU with the referral pharmacy/pharmacies. The MoU must include the purpose of cooperation and detail coordination between the agency/clinic and referral pharmacy/pharmacies to provide the following medications:

- a) non-clinician administered hormonal contraceptive methods (oral contraceptives, transdermal hormonal contraceptives "patch", or vaginal hormonal contraceptives "ring");
- b) anti-infectives for the treatment of STIs and other infections; and

PART V - POLICY

Provide a copy of the agency's/clinic's policy that ensures clients can obtain prescribed medication refills from the cooperating pharmacy/pharmacies without an additional clinic visit (unless medically indicated/necessary).

The facts affirmed by me in this waiver request follow all procedures outlined above for the pro	are truthful and, as the authorized representative of the agen vision of pharmaceuticals to eligible clients.	cy named above, I warrant that the agency will

The Heidi Group/Tenison Women's Health Center Terrell, will provide the following documentation and services for the patients being treated through the Family Planning Program.

- 1. Prescriptions will be provided by the clinic in **one** of the following three ways.
 - a. Provide a Class D Pharmacy License number.
 - b. Provide a Memo of Understanding between the clinic and a pharmacy to provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The pharmacy will invoice the clinic for the payment who in turn will be reimbursed through the Family Planning Program. Birth control prescriptions will be written to continue through August 2017.
 - c. Provide a prescription for the patient directly to a participating (1) Walmart (first choice) or (2) Walgreens (backup) which will be paid by the provider by a credit card listed on the prescription. The prescription will be faxed or e-mailed to the pharmacy. The selected pharmacy will provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The credit card will be retained on file for each patient individually for future refills. Birth control prescriptions will be written to continue through August 2017.
- 2. Refills from the partner pharmacy/pharmacies will be prescribed without an additional clinic visit unless medically indicated/necessary and at no charge to the patient.
- 3. A Class D Pharmacy License Exemption Request will be completed and submitted for each clinic without a Class D Pharmacy License number.
- 4. If the clinic does not have a Class D Pharmacy License, it will apply, but will currently provide prescriptions in one of the interim processes described in 1b and 1c.

Clinic is in the process of obtaining a Class D pharmacy license but needs to serve patients in FPP now.

PART IV - MEMORANDUM OF UNDERSTANDING (MOU)

Provide a copy of a signed and fully executed MoU with the referral pharmacy/pharmacies. The MoU must include the purpose of cooperation and detail coordination between the agency/clinic and referral pharmacy/pharmacies to provide the following medications:

- a) non-clinician administered hormonal contraceptive methods (oral contraceptives, transdermal hormonal contraceptives "patch", or vaginal hormonal contraceptives "ring");
- b) anti-infectives for the treatment of STIs and other infections; and

PART V - POLICY

Signature

Provide a copy of the agency's/clinic's policy that ensures clients can obtain prescribed medication refills from the cooperating pharmacy/pharmacies without an additional clinic visit (unless medically indicated/necessary).

Date

The Heidi Group/Webster Family Care will provide the following documentation and services for the patients being treated through the Family Planning Program.

- 1. Prescriptions will be provided by the clinic in **one** of the following three ways.
 - a. Provide a Class D Pharmacy License number.
 - b. Provide a Memo of Understanding between the clinic and a pharmacy to provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The pharmacy will invoice the clinic for the payment who in turn will be reimbursed through the Family Planning Program. Birth control prescriptions will be written to continue through August 2017.
 - c. Provide a prescription for the patient directly to a participating (1) Walmart (first choice) or (2) Walgreens (backup) which will be paid by the provider by a credit card listed on the prescription. The prescription will be faxed or e-mailed to the pharmacy. The selected pharmacy will provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The credit card will be retained on file for each patient individually for future refills. Birth control prescriptions will be written to continue through August 2017.
- 2. Refills from the partner pharmacy/pharmacies will be prescribed without an additional clinic visit unless medically indicated/necessary and at no charge to the patient.
- 3. A Class D Pharmacy License Exemption Request will be completed and submitted for each clinic without a Class D Pharmacy License number.
- 4. If the clinic does not have a Class D Pharmacy License, it will apply, but will currently provide prescriptions in one of the interim processes described in 1b and 1c.
